

## **HEBDEN BRIDGE CREATIVE QUARTER**

***Calling all small businesses in the creative, media and digital sectors.***

**Come along to find out more on Thursday December 2nd at 7.30pm  
Waterfront Hall, Hebden Bridge Town Hall**

Hebden Bridge Community Association has got the go-ahead to develop Hebden Bridge Creative Quarter, as part of broader plans to extend the facilities at the landmark Town Hall building. We hope by early 2012 to have over thirty new small enterprise units available at attractive rates, as well as hotdesking and business lounge facilities for home-based and mobile workers.

Come to our initial meeting where we will share our vision, discuss the plans and hear what you would like from these facilities.

We are delighted that **Paul Fallon** of *Creative Space Management* will come to our meeting, to discuss his company's experience successfully running the *Electric Works* in Sheffield and the *Round Foundry Media Centre* in Leeds.
