Fiona Armer joins board of trustees

Hebden Bridge Community Association is delighted to welcome Fiona Armer to the board of trustees. Fiona was coopted at the trustee meeting on April 28th.

Fiona is a KPMG-trained Chartered Accountant with 15 years' post-qualification experience in the public sector in a wide variety of roles including internal audit, consultancy and project management. She recently took a year out to circumnavigate the world as a crew member on the Clipper Round the World Yacht Race, an experience she describes as life-changing! She lives in Hebden Bridge.

Fiona takes over the role of Treasurer from Malcolm Rogers, who has stepped down from his position as a trustee. He will maintain an informal involvement in the Town Hall project.

“Malcolm has been a valued member of the board of trustees, bringing his considerable experience in banking and risk management to the project, and we are very sorry to be losing him. We particularly appreciated the efficient way he liaised with funders during the key period earlier this year when our European grant-funding was being arranged,” says Peter Hirst, chair of the Association.

“However, we’re delighted that Fiona has agreed to take over as Treasurer. This is a very important period in the development of the Town Hall project, and we are very pleased to be able to use her accountancy and financial skills,” he added.
