

Hebden Bridge Community Association

Not in support? Or wanting more information?

We're sorry that you're not convinced. Unlike other recent planning proposals for Hebden Bridge, we are not undertaking this for commercial purposes, and in preparing the development, we have tried to take on board the comments which have come through from within the Hebden Bridge community (particularly from our three earlier consultation days). But inevitably it's difficult to please everyone.

If you want more information, all the plans will be available shortly on Calderdale's website (a link will be put in from our own website). The plans will also be available in the Town Hall for you to look through at your leisure.

We will be happy to talk through with you any particular concerns you may have. The easiest way to reach us is by email, to hebdenbridgetownhall@gmail.com. Please give us a phone number where you can be reached. (And please be a little patient during the holiday period).

We hope we may be able to convince you. But if you remain critical of the proposals, the next step for you would be to tell Calderdale you oppose the application. You can do this by letter to the Planning department, or online at Calderdale's website. Our planning reference is 10/00944/FUL.
