

Hebden Bridge Community Association

Want to offer your support?

If you support our proposals for the Town Hall development, please let Calderdale's planners know. This is important to us!

You can do this in one of three ways. The easiest way is to use the model letter we have prepared, add your address and name and sign it, sending it to Calderdale Planning Services, Northgate House, Halifax , HX1 1UN.

Or you will be able shortly to register your support on-line, at <http://www.calderdale.gov.uk/environment/planning/search-applications/index.jsp>. There will be a link to this from our own website. Our planning reference number is 10/00944/FUL. (At present, our application is still being processed, so it is not yet possible to comment online).

Best of all, you can send a personal letter to Margaret Hutton, team leader, Calderdale Planning Services, Northgate House, Halifax , HX1 1UN, quoting our planning reference 10/00944/FUL and setting out why you support the plans.

Thank you for your support
